wine notes

Tasmania Arras Origin South Brut Cuvee: An exceptionally crafted Australian sparkling from the House of Arras. Encounter a captivating nose of fresh grapefruit and lychee leading into a sophisticated palate with notes of white stone fruit, tangy yoghurt and a hint of nougat. Arras Origin South Brut Cuvee NV is a blend of three classic grape varieties of sparkling wine, Pinot Noir, Chardonnay and Pinot Meunier from select parcels of premium Tasmanian fruit, from vineyards throughout the renowned cold climate sub regions of Tasmania. Fastidious viticulture and winemaking including extended lees aging is the essence of this alluring wine of complexity and vibrancy.

Margaret River Forester Estate Sauvignon Blanc: Margaret River winemaker and vigneron Kevin McKay spent the first 15 years of his career developing his family's Abbey Vale property. Then, under the mentorship of winemaker Dorham Mann, Kevin has developed iconic wines at Forester Estate. Priding himself on his attention to detail, his wines show trademark complexity and depth. A slightly more serious style showing clean and focused characters of citrus, nettles, dried herbs and flint, with a touch of smoke adding complexity from partial barrel fermentation in one year old oak barriques. The palate has a fuller style that has great texture and freshness with dried herbs and citrus at the forefront. The wine finishes long and clean with lingering herbaceous characters and mineral acidity. GOLD Medal | Margaret River Wine Show 2017.:

Eden Valley Chaffey Bros Not Your Grandma's Riesling: Not Your Grandmas Riesling has just a hint of residual sweetness which works just perfectly here. Fresh and floral, there's ample citrus and orchid fruits with perfectly balanced acidity for line and length. It works perfectly with or without food. Born and raised in the Barossa, Daniel started at the Penfolds cellar door, eventually co-founding a wine consultancy. Chaffey Bros. was born from Daniel's dream to revive the name and the innovation of his great-great grandfather and his brother - the original Chaffey brothers - who founded Mildura in 1887. Together with his brother-in-law Theo Engela they now form the new iteration of Chaffey Bros. They love telling stories, and each of their wine labels reveals details about the vineyard, variety, region or history.

Margaret River Devils Lair Honeybomb Chardonnay: From Margaret River's award-winning Devil's Lair winery, comes this medium bodied, elegant, yet budget friendly chardonnay. Upon opening aromas of honeydew, peach and orange blossom spring forth, while the taste of toasted nuts and brioche hit the palate. We recommend having it with friends and family outdoors in the sun, and it's an ideal accompaniment with fresh seafood, like grilled flathead with a drizzle of lemon. This is one for the warmer days.

Margaret River Vasse Felix Classic Dry Rose: A light, dry and refreshing Rosé, delivering an exciting addition to the popular Classic collection. Made from Shiraz fruit grown in the Margaret River Region, this is a provençal style of Rosé showcasing a textural savoury core while embracing the delicate fruit perfume and succulence of its Shiraz base. Opens to reveal a pomegranate and wild strawberry base with lifted savoury lines of mineral oyster shell, turkey and cranberry sauce. Subtle floral tones of violet and rose petal provide a delicate lift with a musk like nuance. Full fruit body builds from the front of the palate with notes of fresh peach, strawberry and rhubarb, while a low acid profile gives the impression of sweetness though the wine is dry. A fresh mineral finish and light bodied structure contribute to a wine with both vibrancy and finesse.

Ninth Island Pinot Noir: A sensational cool climate Pinot Noir from Tasmania. At first the taste is supple and delicate, but soon bursts with richness and power as trademark Pinot Noir flavours fill the mouth. Sweet lifted fruit on the mid-palate that is finely balanced by satisfyingly integrated tannins.

Margaret River Abbey Vale Shiraz: A complex, compelling wine with dark plums and ripe anise-like spice on the nose, silky tannins and understated oak nicely completing this moreish shiraz. The Abbey Vale Shiraz is the ideal accompaniment to roasted or grilled meats such as beef or venison, as well as hard cheeses such as cheddar and parmesan. Put one in your cart today and bring it out at your next dinner gathering to impress. • Gold Medal - Sydney International Wine Competition 2019. • 94 Points 2019 Vintage | James Halliday. • 95 Points 2020 Vintage | James Halliday.

James Busby Cabernet Sauvignon: Ripe, layered and complex whilst still having the lovely perfumed lift for which the best Margaret River Cabernets are known. Blackberry, olive and dry earth with a touch of autumnal leaves define the aroma and flavour of the wine. The flavour is lingering and memorable with a lovely dry, subtle tannin grip distinct to young Margaret River Cabernet Sauvignon. James Busby arrived in Australia with vine cuttings that would go on to express the fullest character of the Australian terroir and herald the beginning of a world-class wine culture. Each bottle that bears his name is testament to the brilliance of Australian winemaking and has been handpicked for its exemplary embodiment of the varietal. We invite you to enjoy a drop and raise a glass to the Father of Australian Wine.
